

CERAMICS COURSES AND WORKSHOPS IN PUPLINGE

Adults - Children - Beginners - Initiates

Come and dive into the creative and friendly universe of my workshops ; whether on a regular or ad hoc basis
Small groups of 3 to 6 people Max.
2h30 with my hands in the earth

I accompany each student in his or her artistic approach, between freedom and teaching so that each one reveals his or her own creativity.

During the workshops I may be required to propose themes such as : creation of large pieces in coils according to the African technique, discovery of porcelain, or polished and smoky earth.
